SKILL LEVEL DEFINITIONS

GURU
Expert in field both within company and region. Could give lecture on the subject.

EXPERT
Can solve most problems and has both theoretical and practical experience. Can manage complex discussions with customer/colleague.

EXPERIENCED
Has worked within the area, and can start to work without help.

SOME EXPERIENCE
Has theoretical knowledge, and has worked a bit in the area. Will need to consult colleague or manual to some degree.

SOME KNOWLEDGE
Has some theoretical knowledge, but not much practical experience.
